

Health, Safety and Environment (HSE) Policy Statement

At Modon, we embed HSE excellence into every part of our operations – protecting people, communities, and the environment while driving sustainable, resilient business practices

We are committed to:

Protect Our People and Communities

Maintain HSE Compliance Through Aligning With Applicable Laws and Best Practises

Create And Sustain Healthy and Safe Workplaces

Proactively Identify and Manage HSE Risks

Set, Monitor And Review Measurable HSE Objectives

Foster Culture Of Consultation and Communication

Maintain Readiness and Resilience For Emergencies

Safeguard Environment and Prevent Pollution

Drive HSE Performance Through Innovation and Wellbeing

We are committed to implementing continual improvement strategies and allocating resources to minimize risks and deliver lasting HSE benefits to our stakeholders and communities; this policy will be reviewed periodically to ensure its continued relevance and alignment with our dynamic objectives.
